Ahmed Satomi*) – *Second Reading.*

MOTIONS

- 18. Need to Dredge the Watari Dam in Bagwai Local Government Area of Shanono/Bagwai Federal Constituency, Kano State:**
Hon. Yusuf Ahmad Badau:

The House:

Notes that the Watari Dam is a Multipurpose Water Dam located in Bagwai Local Government Area and the entire Kano North Senatorial Zone;

Also notes that the Watari Dam Project was constructed between 1977 and 1980 with the official opening in 1981;

Aware that the dam was constructed to improve flood control, irrigation farming, and potable water to the six (6) Local Government Areas, namely Bagwai, Bichi, Tsanyawa, Dawakin Tofa, Fagge and Dala Local Government Areas in the Kano Central Senatorial Zone;

Also aware that the Watari Dam project stands as the third largest dam with storage capacity of 105.55 million liters of water and irrigates 2600 hectares of land with 60% of the land presently cultivated;

Concerned that since the project was completed in 1980, the dam has not been dredged, thereby causing visible signs of overwhelming sand and soil fill-ups, posing a threat to the dam and surrounding areas;

Also concerned that without government intervention to dredge the dam, the Dam will collapse causing danger to the existence and economic value of the dam;

Resolves to:

- (i) urge the Federal Ministry of Water Resources to include the dredging of the Watari Dam project in the 2026 budget estimates to complete the dredging;
- (ii) mandate the Committee on Water Resources to ascertain the current state of Watari Dam and come up with modalities to ensure the dredging of the dam within the shortest possible time and report within four (4) weeks for further legislative action;
- (iii) also mandate the Committees on Water Resources and Legislative Compliance to ensure compliance.

- 19. Need to Revamp the Nation's Comatose Textile Industry:**
Hon. Garba Ibrahim Muhammad:

The House:

Notes that the Nigerian textile industry, with over 180 mills in operation in the 1960s and 1980s, significantly impacted the manufacturing sector, employing nearly 450,000 people and generating 67% annual growth, making it the highest employer of labour;

Also notes that Nigeria possesses ample raw materials such as cotton and wool for textile production, which can boost local productivity and the economy;

Aware that revitalizing the textile industry will create employments reduce social issues, boost revenue, diversify the economy, and enhance socio-economic development in the country;

Concerned over the significant decline in the textile industry over the last two decades, resulting in the layoff of thousands of workers from companies like Kaduna Textile, Kano Textile, Aba Textile, United Nigeria Textile, and First Spinners, among others;

Also concerned that the discovery of oil in Nigeria resulted in decreased cotton production, a crucial raw material for the textile industry, thereby significantly impacting the textile sector;

Worried that government policies such as higher taxation, expensive production costs, and trade liberalization leading to extensive importation of textile materials, which have had a negative impact on the production of local textiles;

Resolves to:

- (i) urge the Federal Government to ban the importation of foreign textiles into the country to rejuvenate the production of local textile materials;
- (ii) also urge the Federal Ministry of Power to collaborate with the Federal Ministry of Industry, Trade and Investment to provide necessary facilities, especially power supply, to local textile manufacturing companies to enhance quality outputs;
- (iii) further urge the Federal Ministries of Finance, Industry, Trade and Investment and other related agencies to encourage local textiles by providing soft loans and easy access to credit facilities through the Bank of Industry;
- (iv) mandate the Committees on Industry and Commerce to conduct Public Hearing with relevant stakeholders in textile industries to review challenges of moribund textile sector and report within four (4) weeks for further legislative action;
- (v) also mandate the Committee on Legislative Compliance to ensure compliance

**20. Inappropriate Activities and Operations of the Nigerian National Petroleum Corporation (NNPC) Pension Fund Limited:
Hon. Inuwa Garba:**

The House:

Notes that the NNPC Pension Fund Limited is a Trust Fund set up in 1983 to manage NNPC Pension Assets for the benefit of the Nigerian National Petroleum Corporation (NNPC) and the Nigerian Upstream Petroleum Regulatory Commission (NUPRC) retirees;

Also notes that the objectives of the Pension Act, are to establish a uniform set of rules, regulations, and standards for the administration and payment of retirement benefits for the Public Service of the Federation;

Aware that in 1986 the Pension Fund was transformed into a Trust Fund known as the Incorporated Trustees of NNPC Pension Fund, following the enactment of the Pension Reform Act (PRA) 2014, the fund was incorporated into a limited liability company known as the NNPC Pension Fund Limited (NPFL);

Also aware that the Retirement Savings Accounts (RSA) are the lifelines that pensioners rely upon to cater for their needs upon retirement;

Worried that most Nigerian National Petroleum Corporation (NNPC) pensioners are unable to access their retirement funds despite complying with the requirements of the Contributory Pension Scheme, thereby, causing hardship and inequality as there has not been significant progress in spite of Court Orders directing NNPC and NNPC Pension Limited to pay harmonized pensions to retirees;

Disturbed that the aged retirees of the corporation staged protests, while those in active service but on the verge of retirement also embarked on industrial strike action;

Also disturbed that the NNPC Pension Fund Limited violated the provisions of Section 50(1) (a) of the PRA and clause (b) of the approval conditions, which provides that the scheme shall be fully funded at all times and that any shortfall shall be made up within ninety (90) days;

Concerned about the allegation that the NNPC had failed to transfer all pension fund assets to the custodian or provide an undertaking to the commission since the approval of the scheme in July 2006, as

well as the evidence that employer and employee pension contributions were being remitted to the licensed operators as required by the Act but the reports showed some funding gaps or deficits in the scheme of the NNPC Pension Fund Limited (NPFL);

Cognizant that embracing the International Standard Pension Fund Structure and Framework is crucial for sustainable investment and management after the pension fund gap is closed;

Resolves to:

- (i) urge the Federal Government to review the operational activities of NNPC Pension Fund Limited with a view to addressing issues surrounding pension payment in NNPC Corporation;
- (ii) also urge the NNPC Pension Fund Limited to, within 6 months, commence the payment of accumulated pensions to retirees of the corporation;
- (iii) mandate the Committee on Pensions to conduct an investigative hearing, inviting the Director General National Pension Commission and other relevant stakeholders of the Nigeria National Petroleum Corporation (NNPC) Pension Fund Limited and the National Pension Commission (NPC) to develop a framework to improve pension administration, recommend a dedicated pension reserve fund specifically for accrued rights payments and report within four (4) weeks for further legislative actions;
- (iv) also mandate the Committee on Legislative Compliance to ensure implementation of these resolutions.

CONSIDERATION OF REPORTS

21. A Bill for an Act to Establish the National Eye Centre, Doma for the Prevention, Diagnosis and Treatment of Eye, Coordination of Research, Training of Specialist in Eye Diseases and other Supporting fields; and for Related Matters (SB.193) (*Senate*) (*Leader*) (*Hon.
